Sir:

I represent Robertshaw Controls Company, a unit of Invensys Appliance Controls.

A filing receipt (cc. Enclosed) was forwarded to this office by our corporate headquarters in Richmond. We are unable to trace the subject matter, inventors, serial number, or docket number in our records. I believe that a mistake has been made in directing this document to Robertshaw Controls Company.

Please review your paper records and determine if an error has been made. However, since we are part of a large international corporate entity, it is possible that an application has been filed without our knowledge. If it appears that the application was, indeed, filed in the name of Robertshaw Controls Company, kindly give me the name of the registered practitioner so that we can add this case to our records.

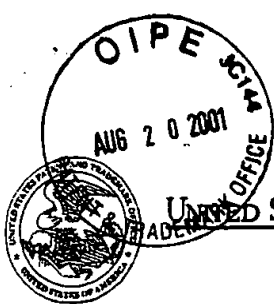

Thank you.

Very truly yours,

Terrence (Terry) Martin
